Course Learning Outcomes for Unit I

Upon completion of this unit, students should be able to:

1. Evaluate leadership roles and strengths.
   1.1. Discuss the characteristics, skills, and managerial leadership roles of an effective leader.

10. Explain Waldorf’s Academic Integrity Policy.
   10.1. Identify the importance of academic integrity.
   10.2. Identify types of academic dishonesty.
   10.3. Identify the consequences for violations to Waldorf’s Academic Integrity Policy.

11. Develop a research paper to analyze a specific leader from the perspectives of a variety of leadership theories.
   11.1. Select a topic for the course research paper.
   11.2. Prepare a title page for the course research paper.
   11.3. Locate a collection of sources about a leader to support the evidence within the course research paper.
   11.4. Create an initial references page for the course research paper, using APA format.

Reading Assignment

Read the Waldorf College Academic Integrity Policy that is available in Waldorf’s Online Programs Catalog through the link below. For quick access to this policy after clicking the link, either (a) view the Table of Contents under the “Academic Information” heading, or (b) simultaneously click the “Control” key and the “F” key on your keyboard for the “find” feature, and type “Academic Integrity Policy” to search through the document.
